

TLILIC2001 – Licence to operate a forklift truck

Course Description:

This unit specifies the skills and knowledge required to operate a forklift truck safely. Forklift truck means a powered industrial truck equipped with lifting media made up of a mast and an elevating load carriage to which is attached a pair of fork arms or other arms that can be raised 900 mm or more above the ground, but does not include a pedestrian-operated truck or a pallet truck.

A person performing this work is required to hold a forklift truck high risk work (HRW) licence.

This unit requires a person operating a forklift truck to plan the work, conduct routine checks on a forklift truck, shift loads in a safe manner, and safely shut down and secure equipment after completing operations.

Entry Requirements:

Must be at least 18 years old

Pre-Requisite:

N/A

Duration:

16 hours (2 days)

Venue:

On-Site training. To be confirmed during the booking process

Participants:

8 participants maximum (minimum 2 people)

Food/Beverages:

To be provided onsite by the client

Site Requirements:

PPE to be work as per site requirements – Suggested minimum - Hi visibility vest/clothing, hard hat and safety boots, glasses
