

## RIIWHS204E – Work safely at heights

<b>Course Description:</b>	This unit covers working safely at heights in resources and infrastructure industries. It includes: identifying the work requirements, work procedures and instructions for the task; accessing and installing equipment; performing work at heights; and cleaning up the work area.
<b>Entry Requirements:</b>	Must be at least 16 years old.
<b>Pre-Requisite:</b>	N/A
<b>Duration:</b>	8 hours (1 day)
<b>Venue:</b>	On-Site training. To be confirmed during the booking process
<b>Participants:</b>	No maximum number (minimum 4 people)
<b>Food/Beverages:</b>	To be provided onsite by the client
<b>Site Requirements:</b>	Client will need to provide a wall or area to perform an abseil off as part of the practical assessment. PPE to be work as per site requirements – Suggested minimum - Hi visibility vest/clothing, hard hat and safety boots, glasses.
<b>Material Supplied:</b>	All required training material is supplied by MBE training. The use of site equipment is recommended to give the trainees some familiarisation with the equipment available onsite.
<b>Assessment:</b>	Trainees will undertake a theory assessment, followed by a JSA, and a practical assessment.
<b>Outcome:</b>	Once competence is achieved, trainees will receive a Statement of Attainment for RIIWHS204E – work safely at heights as well as a wallet card with the trainee's photo
<b>Language, literacy and numeracy:</b>	The assessment process is broken into two sections – Knowledge and Practical. The exam is an open book and if required verbal assessments can be undertaken.
<b>Other information:</b>	The training and assessment will involve wearing a harness and performing an abseil. Trainees will need to have the basic fitness required to undertake these practical tasks.
<b>Cost:</b>	\$300 per person.  Travel + (gst) will be charged at \$1.00 per km if more than 50km from MBE office. (GST is not charged on nationally recognised training)
